

Meeting to discuss freeholder process

April 11, 2018

4:03 p.m.

Present: Commissioner Fund, Commissioner Stamper, Larry Grove, Heather Boyer, Tom Stanton, Eric Eisenberg

Recorder: Rieva Lester

Eric Eisenberg said Nicholas Bozarth called in to question the constitutionality of the county's set filing fees. Eric said there must be a way for someone who is indigent to get on the ballot. Eric suggested allowing someone who lacks the means to pay the filing fee could be allowed to sign a declaration indicating that they cannot afford the filing fee and allowing them to pay what they feel they can.

Eric suggested passing a resolution to clarify what happens if someone comes in and cannot pay the filing fee.

Commissioner Stamper made a motion to add a freeholder resolution to the Monday, April 16, 2018, BOCC Business Meeting. Commissioner Fund seconded.

Motion passed 2-0.

The group discussed the FAQs on the Auditor's Office website.

Meeting adjourned at 4:26 p.m.
