

Quarterly meeting with PFD

December 9, 2019

2:30 p.m.

Present: Commissioner Jackson, Commissioner Stamper, Todd Chaput

Guest(s): Dr. Lindsey Pollock

Recorder: Rieva Lester

Todd Chaput said he is resigning from the PFD but is willing to stay on until March or so.

Todd said the PFD cannot move forward on work on the second floor until the elevator is complete.

Todd said the PFD is going to hire a project manager – instead of a general contractor – and then contract out for services. He said the PFD will save thousands of dollars by not using a general contractor.

Todd said the PFD is working on plans to possibly turf all of the fields at the complex.

Meeting adjourned at 2:50 p.m.
