March 1, 2017

9:03 a.m.

Present: Commissioner Stamper, Commissioner Fund (by phone), Commissioner Jackson, Jonathan Meyer, Glenn Carter

Guest: Aaron Kunkler

Recorder: Rieva Lester

Jonathan Meyer said Keith Swenson returned his call. Swenson forwarded the email sent by Jen Slemph.

Jonathan said he does not believe the BOCC loses the right to appoint. He said he believes either one retains the right to appoint.

Jonathan said Keith Swenson asked for the six applicants. He said it appears the governor wants to sign off on the three.

Commissioner Fund asked for the date and time of the email. It had been sent to the governor's office at 3:23 p.m. Feb. 28, 2017.

Jonathan said his impression was that the governor's office was not interested in going through an interview process.

Commissioner Stamper said more clarification is needed.

Commissioner Jackson suggested conducting interviews and then present ranked names to the governor's office.

Jonathan said Keith said he wanted the county to submit the names ranked.

Jonathan said he would call and ask whether the state wants the list of six or whether the state wants the list narrowed to three.

Meeting ended at 9:09 a.m.
