Recorder: Rachel Hunt

Meeting time- 2:30 p.m.

Commissioner Stamper started the meeting with introductions.

Commissioner Stamper made the announcement that Steve Mansfield will be taking over the 911 center. Steve Walton will then be the liaison between the board and oversee the new finance system.

Commissioner Stamper added this change has been in the works for a while.

Commissioner Jackson added this is part of the County strategic plan.

Commissioner Fund added the previous implementation of a financial system failed and the BOCC wants to ensure the implementation of the new financial system is successful. She reiterated the Board believes Steve Walton is the best fit for this.

Steve Mansfield's new title will be Director of Emergency Services

Steve Walton said there will be a minimal impact to the budget.

Lynette Hoffman asked if the new financial system is successful anywhere else. Steve Walton replied that Thurston and Mason County is currently using the system. Steve Walton said it will be a 1 ½ - 2 years before it is fully implemented.

Natalie Johnson asked how long the County has been discussing the change at 911. Commissioner Fund replied it has been talked about for a while. But the specific change was brought up by Commissioner Jackson.

Steve Mansfield added the background information of the Department of Emergency Management. He also added this is where the discussion of the transition started.

Commissioner Jackson added one of his goals as a Commissioner is to streamline processes within the County which lead to the original discussion with Steve Walton.

Commissioner Fund reiterated this transition was not a snap decision.

Natalie Johnson asked if this is another attempt to stabilize the rocky 911 center. Commissioner Fund said absolutely.

Lynette Hoffman asked what the main goal of the transition is. Commissioner Jackson replied streamlining processes with minimal impact to the budget.

She also asked how the employees at 911 have taken this news. Steve Mansfield replied he has met with the employees twice today and he will be implementing specific policies, procedures while asking for their input. He also added the local chiefs have pledged their support.

She also asked if Steve Mansfield has a strategic plan. He has a plan in mind but that a strategic plan would need further input from the employees and chiefs. He also added he will be meeting with the employees individually. Steve Mansfield expressed immense confidence and respect in the 911 dispatchers citing that they do a job he could not do.

Commissioner Fund wanting to assure the citizens of Lewis County their money is being well spent.

Commissioner Jackson added he wants the message being sent is that the County is moving forward.

Commissioner Stamper also added this conversation would not have been happening if Steve Mansfield wasn't already in his current position.

Natalie asked if there will be any future press conferences on the topic. Commissioner Fund said it was originally planned for a Monday announcement but the information got out before that and the Commissioners wanted to be proactive in getting the information out.

Meeting ended at 3:06 p.m.
