Project Information:

The rezone and comprehensive plan amendment application was received on December 31, 2021 and application fees were paid in full. On January 28, 2022, the application was determined to be complete to begin review, with the understanding additional information may be necessary prior to issuing an environmental threshold determination. The noticing of this application begins on February 10, 2022. Comments about this application and the SEPA documents may be submitted to the Lewis County Planning Division by **February 25, 2022**. The rezone application, environmental documents and supplement information may be viewed at the Lewis County Permit Center during regular business hours. The application and all documents related to this proposal may also be viewed online at the Lewis County website at <https://lewiscountywa.gov/departments/community-development/rezones/>

Other than the applications submitted, no other permits are required at this time for this non-project action. Future project specific development will require development applications and project level environmental review.

Process:

A workshop and public hearing will be scheduled with the Lewis County Planning Commission for the Type V application once the environmental review is complete. The Planning Commission will take action at the public hearing to forward recommendations on the above application to the Lewis County Board of County Commissioners for the final decision (per Lewis County Code (LCC) 17.05 and 17.12). Once the hearing date with the Lewis County Planning Commission is set, the notice of hearing will be sent. To track all Planning Commission workshops and hearings, please "*Lewis County Planning Announcements*" on the Planning Commission webpage

Appeal Information:

After the comment period is complete, the SEPA threshold determination will be evaluated and issued. You may obtain the subsequent threshold determination upon request. Once issued, the SEPA determination may be appealed in writing to the Lewis County Hearing Examiner at the Lewis County Community Development Permit Center. Appellants should be prepared to make specific factual objections. The appeal procedure is established in Lewis County Code (LCC) Section 17.110.130 and LCC Section 2.25.130. The administrative appeal fee is established by Resolution of the Board of County Commissioners. The current adopted fee schedule is available online at
