Lara updated the BOCC on carpet replacement. Lara also notified the BOCC that the carpet in front of the men's room will be replaced.

Commissioner Stamper provided an update on Eagle Cliffs rock pit. He has a number of people asking questions, and he wants to make sure Lewis County provides accurate information.

The BOCC discussed calendars for the week.

### **Announcement**

Commissioner Jackson visited Lake Sacajawea to discuss the pond in Toledo. The group that he went with may have found a solution to help aerate the water in the south Toledo pond.

Commissioner Jackson received a call from Susan Otterness, who said she is no longer able to serve on Cemetery District 9.

Commissioner Stamper said he is getting a number of phone calls from citizens concerned with the Crystal Geyser potential plant.

Josh Metcalf stated he met with Water-Sewer District 5 last week. The County has sent a request for a list of documents that the county needs. The water district would like Lewis County to move quickly.

Meeting ended at 9:42 a.m.
