

**Meeting with Treasurer Arny Davis**

**July 10, 2018**

**11 a.m.**

Present: Commissioner Fund, Commissioner Stamper, Arny Davis, Commissioner Jackson (11:05 a.m.)

Recorder: Rieva Lester

Arny Davis said Boistfort Valley Water is behind in getting needed infrastructure. He said he sits on the board and that grant funding may be available but would have to come through the county. He asked for the commissioners' blessing in pursuing the grant.

Commissioner Jackson joined at 11:05 a.m.

Commissioner Fund, Commissioner Stamper and Commissioner Jackson supported pursuing the grant.

Arny said the PFD's Sports Commission is being asked to provide the Treasurer's Office an accounting of all of its funding.

Arny discussed a marketing presentation available through Western Washington University. He discussed seeking an outside entity to pay for the project, which would cost roughly \$1,500-\$2,000. Commissioner Fund suggested speaking with Fred Evander about a similar project he spearheaded.

Meeting ended at 11:19 a.m.
