Danette York said the Public Health & Social Services Advisory Board met Dec. 10 to review the Housing Ad Hoc Committee's recommendations for awarding Housing 2163 fund (from document recording fees). She said the committee received nine applications seeking funding totaling \$1.44 million.

Danette, Meja Handlen and JP Anderson reviewed the committee's following recommendations:

<b>AGENCY</b>	<b>PROGRAM</b>	<b>RECOMMENDED FUNDING</b>
Community Action Council	<i>Rapid-Rehousing &amp; Homeless Prevention</i>	129,744.00
Habitat for Humanity	<i>Low Income Single Family House</i>	0
Housing Resource Center	<i>Coordinated Entry, Outreach, Shelter</i>	100,000.00
Human Response Network	Mobile Outreach & Prevention	40,000.00
Reliable Enterprises	<i>Case Management, Landlord Outreach</i>	10000.000
Salvation Army	<i>Prevention Services</i>	66,000.00
<b>TOTAL</b>		<b>435,744.00</b>

Danette noted that the committee recommended denying Habitat for Humanity's request due to the limited number of individuals the one low-income family home would serve. She said Funny Farm and Friends Without Homes also were denied because they did not meet the application requirements. Danette also noted that full funding was being recommended for only The Salvation Army.

The commissioners supported the recommendations. Danette and Meja said they would draft a resolution for the BOCC's approval.

Meeting ended at 4:13 p.m.
