

Senior Transition Team Discussion

May 3, 2017

4:30 p.m.

Present: Commissioner Stamper via conf. call, Commissioner Fund, and Commissioner Jackson, Natalie Johnson, Susan Delaire, and Mr. Buschlen

Recorder: Candace Hallom

Commissioner Jackson discussed the Senior Transition Meeting he attended this afternoon. The agenda for this meeting was to discuss the 501c3. There may have been a breakdown in communication because the seniors were not prepared to discuss the 501c3. The seniors intent was to be able to ask questions to the BOCC.

The transition team was not prepared to meet with the BOCC today.

Mr. Buschlen stated he does not feel that we need to change the status of the buildings and centers. He would like the transition to be over a 5 year time frame, each year the County transitions to paying less and less.

Commissioner Jackson stated this information can be added to the agenda for the meeting that will be scheduled next week.

Meeting adjourned at 4:45 p.m.
