Dear valued customer,

Thank you for being an Evoqua customer, as well as for allowing us to fulfill your water treatment needs. As your current purchase order will run out of funds soon, we look forward to extending our current engagement. The prices listed below will apply for the **12 Month** period immediately following the date above. If you do not currently issue blanket PO's to Evoqua for the services we provide, prices are subject to change without notice. Upon completion of this document, Evoqua Water Technologies LLC's Terms & Conditions will apply. The link is located at <https://www.evoqua.com/en/about-us/terms-conditions-sale-products-services>. For additional services or labor not included here, please call for rates. The schedule below is based on the systems current **minimum annual** service frequency. **We appreciate your continued use of Evoqua's water services.**

**THIS IS NOT AN INVOICE**

**Schedule of Services**

Part Number	Description	Qty	Frequency	Unit Price	Minimum Yearly Total
