RE: Recommend Salary Increase – Health Officer

Date: August 27, 2025

I am writing to recommend a salary increase for the Health Officer. This position is currently paid \$4,000 per month. This proposal would increase the pay to \$4,500 effective September 1, 2025. The cost of the increase (\$2,000 for 2025) would be covered by FPHS funds.
